

Hillsboro High School

US Community Credit Union Academy of International Business and Communications

Banking and Finance

The USCCUAIBC is dedicated to providing students with the professional skills and experiences to effectively contribute to a 21st century global economy.

The Banking and Finance pathway is a three-year engaging and interactive pathway that prepares students for a career in financial and investment planning, banking, insurance, and business financial management.

This pathway is comprised of content in deposits, lending funds, extending credit, and banking services which includes cash management, short-term investments, loans, credit cards, and bill payments.

These services are delivered via a number of different institutions, from commercial banks and other traditional means (savings and loan associations, credit unions, and local banks) to newer ventures through insurance companies, brokerage houses, and the internet.
